

**Application
Associate Pastor Call Committee
Trinity Lutheran Church, Eau Claire, WI**

Deadline for Submission: January 6, 2020

The time has come to select a Call Committee. Our Constitution stipulates that the Call Committee “of six voting members shall be elected by the Congregation Council. Term of office will terminate upon installation of the newly called pastor.” We will include one member of the Congregation Council to provide consistency and continuity.

The congregation needs volunteers to serve, lead, and guide the call process. Please prayerfully consider volunteering your time and energy by applying to serve on this important committee.

The information on this form will help the Congregation Council select members for the Call Committee. The charge to the Call Committee will come from the Council. The general guidelines and training for the Committee will be provided by the Northwest Synod of Wisconsin.
