

Who We Are

Trinity Christian Preschool “Noah’s Ark” is a mission of Trinity Lutheran Church to serve our members and the Eau Claire area by giving children of preschool ages the opportunity to experience a positive learning environment within a safe Christian atmosphere.

We are a licensed program of the state of Wisconsin. Find more information at trinity-ec.org under the “Grow” tab.

Trinity Christian Preschool admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, or scholarship programs.

At Noah’s Ark Preschool your child will:

- Become a **peacemaker** who will take care of themselves, others, and the world; learning to resolve conflict peacefully, respect others, and build confidence in themselves.
- Be immersed in **play based learning** with opportunities for discovery in a large stimulating classroom with educational materials that are developmentally appropriate.
- **Be encouraged** to explore, imagine, wonder, observe, predict, create, and investigate.
- Be cared for in a safe Christian environment;
